Dear Padre

March 23, 2025

May I receive Communion if I'm divorced and haven't gotten an annulment?

Yes, you may. Divorce, in itself, is not an impediment to the reception of Communion. Divorce, although regrettable because of the many ramifications that may be part of the experience, is not in itself a sin. There are situations when divorce may be the most loving choice and make it possible for all parties involved to live the lives God is calling them to live.

Remarriage, when a person is not free to marry because of the presence of a previous bond, is an impediment to the reception of holy Communion. Although this situation is more and more common, it does not mean that the law of the Church, representative of the teaching of Jesus, can be set aside. As part of the process of healing from your divorce and moving on with your life, you may want to seek an annulment, particularly if you think you might want to marry again. The annulment process can often be healing and a source of great blessing. It also provides a rare opportunity to reflect on what was lost as a result of the original divorce and what can be learned as a way of moving forward and building a second marriage that is strong and life-giving. ●
