Friends of Poland - Let's open with a polka
W SZAFLIKU - BUCKET POLKA, *Past Pres. of the I.C. Church, M. S. ...*
for Anna Tomaszewski *(whose birthday was yes-*
terday. + also for the ^{Mrs} ~~lunch~~ days of ^{from} ~~the~~ ^{Mrs} ~~the~~ ^{McCullough} ~~the~~
Mrs. Howard Finch.

Once again we take the liberty to remind you, Friends of Poland, that we are now appealing for fighting Poland - not only for clothes but for funds as well.

If you are of Polish extraction, how can you refuse to come to the aid of the country of your forefathers?

If you are a christian and intent on preserving Poland as the bulwark of christianity how can you silently sit back and allow Poland to become the bastion of Communism?

If you are a Jew, you will not refuse to contribute, after we remind you that it was King Casimir the Great, who in 1354 freed the Jews of all civil and commercial liabilities and in 1367 granted them special privileges, from which time, Jews, persecuted in most countries of Europe, found ~~refuge~~ a refuge in Poland.

If you have enjoyed THE POLISH HOUR, trying to entertain you since 1943, how can you discourage us by refusing to send your mite for the Polish Relief Fund?

Simply address your contribution to Yours devotedly, in care of WKNY or the I.C. Church Kingston N.Y.

Today we report receipt of 50 dollars from a friend; 25 dollars from Mrs. Martha Kellerman; 25 dollars from Mr. & Mrs. Casimir Hudela, a former sponsor of the Polish Hour; 10 dollars from Mr. & Mrs. Lawrence Urbanski of Port Ewen; and 5 dollars from Mr. Fred

Well, after 5 years and 4 months, Warsaw breathes again - but the stench of German atrocities, brutalities and terrorism still fouls the air.

Yes, Warsaw breathes again - but not the 770,000 who were tortured or bunned or butchered or murdered by the Germans. *John is largest city of Europe.*

Fully 75% of the once beautiful old capital of Warsaw has been wantonly and systematically destroyed by the self-styled German supermen.

Let's hope and pray that the Cracow of Copernicus and Kosciuszko and the Polish Kings is spared a like fate.

Post But now a polka for Mrs. Joseph Tomczyk, ~~ex~~-president of the Holy Rosary Society and for Vivian Lukaszewski, annual secretary of the I.C. Catholic Charities Appeal, whose birthdays are next Friday. ~~Polka~~ MARIANNA - MARYANN.

Elmost every one of late seems to be infected with the vitamin bug. But how many know that one of the discoverers of vitamins, is Dr. Casimir Funk, an American of Polish birth?

1
Dr. Casimir Funk was born in Warsaw in 1884, studied first in Poland and then in Berne and Geneva. In Berne, he received his doctor's degree in chemistry after stufyung under professor Kostanecki.

Incidentally Dr. Casimir Funk was the first to introduce the name VITAMIN into chemistry in 1912.

By the way, talking about colleges and studies, reminds us that Bernice Falatyn of New Rochelle College, informed us that the students there discussed our programs. Evidently, some of them listen ~~to~~ or at least listened to our Polish Hour.

But now ~~a polka~~ an oberek for a change - PO ROBOCIE * AFTER WORK. *for Jfc - Mrs Chas Trero on their 4th wedding annversary - Mrs Chas Trero is the former Sophia Wilkowskii.*

We presume that you know that Frederic Chopin, the great composer, was Polish. Frederic Chopin was the embodiment of Poland in music. Fortunately it was thru such a genius that Polish music first won a world wide hearing. And the music of Frederic Chopin is authentically Polish.

If you care to hear some of his music, see the technicolor movie, A SONG TO REMEMBER, based on the life of Frederic Chopin. Running thru the movie A SONG TO REMEMBER as a background music are 23 of the most popular Chopin compositions.

And now some Polish music POLKA PODKOWKA * HORSESHOE POLKA. *for the speedy recovery of St. Edu. Tomczyk, injured when his plane crashed, some 4 days ago. There, the same character as the first one!*

The British Air Ministry announced that of 1,900 flying bombs destroyed during the battle of London by Allied fighters, 223 or one eighth had been destroyed by Polish squadrons.

Yes, the Polish soldier is found on all the fronts in every country, living up to the

old Polish battle cry of the centuries FOR
YO R FREEDOM AND OURS.

And that is one of the reasons why we
should contribute what we can to the Polish
Relief Fund.

And now a polka W MOIM OGRODECZKU -
IN MY LITTLE GARDEN.

*for the wife of patrol-
man Howard Kinch on his birthday - a feeble
attempt to cheer the family of Mrs. Mrs. Peter Tucker whose
son S/sgt. Donald Tucker was taken prisoner by the Germans
just a year ago last Sunday.*
