Friends of Poland - Once again welcome to the Polish Hour.

As forecast last Sunday, we present to you our Mayor, The Honorable William F. Edelmuth, who will introduce the dramatic sketch you are about to hear.

Fellow citizens - You are about to hear an epic in Polish history, the tragic and heroic stand of the first citizen of Warsaw, Steven Starzynski, when the blood-thirsty hordes of Nazi so called supermen set out to conquer the world;

Since we have so many Americans of Polish ancestry in Kingston, I take this opportunity to pay tribute to the country of their fore-fathers, Poland; and at the same time to express my admiration for the Mayor of Warsaw, Steven Starzynski, who set such a noble example of heroic resistance to our common enemy.

May I add that I am proud that our city of Kingston can boast of so many citizens of the country that was the first to fight our common enemy.

Now, I ask you to listen to the dramatic sketch electrically transcribed - "THE MAYOR OF WARSAW."

for the needs of soul and body, especially for our boys in the service. Won't you join us at least in ~~spirit~~ spirit?

Let us bear in mind that this catastrophic war is the result of man's turning away from God and His Divine precept of love of God and neighbor. The sooner we return to God, the sooner will this war terminate. And the 40 Hours Adoration gives us an opportunity to return to God.
