Dear Padre

September 15, 2024

Why does OCIA take so long? I've been married to a Catholic for fifty years and would like to become Catholic. My parish's Order of Christian Initiation of Adults program runs from September through Easter. That's a long time for someone in her eighties. Is there any way to accelerate the process?

OCIA (Order of Christian Initiation of Adults and the new name for RCIA) was designed to meet the needs of two main groups: those who have been baptized as Catholics or in a Protestant tradition but have received no additional instruction in the Catholic faith, and those who have not been baptized. Someone in the first group has a different starting point from someone who has little knowledge of Christ, or who has never participated in a church community. OCIA programs use an instruction process called catechumenate, in which people seeking to become Catholic (catechumens) experience a worshipping community, learn to pray, and reflect on God's word. The catechumenate is divided into steps that are marked by liturgical rites; some parts of the process are optional, depending on each catechumen's pastoral situation. Catechumens can be received into the Church at any time of year. Talk to your priest about your closeness to Catholicism since your marriage and how it has formed your faith. Together, you can determine the amount and type of preparation that's right for you. ●
