### ***I'm thinking about going to the Easter Vigil, but why does it have to be so long?***

When an event seems long, it may have to do with our expectations. If we go to the Easter Vigil and expect it to be like a Sunday Mass, then it will seem long. The typical parish Easter Vigil lasts two to three hours. There are some communities who vigil all night. Why does it have to be so long? Because this is one night of the year when we Catholics tell our whole story.

There are four parts of the Vigil. Part One is the *Lucernarium* (Light) when we gather around the paschal fire from which the paschal candle is lit. Then follows the passing of the light to members of the congregation, who are holding candles. By candlelight, we hear the Exsultet—the Easter Proclamation, sung only on this night. Part Two is the Liturgy of the Word, when we take our time listening to readings, singing psalms, and reflecting on salvation history. Part Three is the Sacraments of Initiation, when new members are welcomed into the Church, baptized, and confirmed, and all renew their baptismal promises. And Part Four is the Liturgy of the Eucharist, when new members receive holy Communion for the first time. The Easter Vigil is rich with meaning, solemn as well as joyful, and to fully experience it, we must take our time. ●
