Dear Father Malinowski,

Some time ago, I saw an article in the Catholic news about your interest in Poland, and have been waiting until I caught up on my debts to send you an offering for your good work. In view of the recent betrayal of Poland, I am writing now, although my contribution is smaller than I would like. So many of my friends feel as I do, yet what can we do to help Poland? Writing to our Congressman seems only a drop in the bucket, because there are so many organized groups looking out for Russia's interest. I pray everyday for the Polish people, and only hope that others do, too. If a list of the names and addresses of my friends who are concerned about the fate of Poland will help, I shall be glad to send it to you.

In the meantime, I wish you every
success in your good work.

Sincerely yours,
(Miss) Alice L. McGuinness
