## Dear Padre

February 23, 2025

**My ex broke up with me. I find myself hoping he gets subjected to the same emotional pain as I have. I hate feeling this way, so how do I ask God to take away this pain and help me forgive my ex?**

What you are sharing is your hurt and confusion. Although your boyfriend was ready to end the relationship, you were not. It seems you are still not ready to move on. That is OK. Everyone has his or her own manner of dealing with disappointment, and there is no perfect timeframe.

More than your boyfriend's suffering, you desire freedom for yourself and a return to a healthy sense of your own personhood. You perceive him as happy and perhaps wonder how that's possible while you are still struggling. This is all very normal, and it's part of the process we all experience when an important relationship changes.

You will work through this. You will love again. You will no longer be triggered by strong feelings when you encounter him in the future. But you are going to have to do the hard work of growing, maturing, and learning to let go. Begin by praying for his well-being. And if you can't do that, ask God for the grace to want to pray for his well-being. Certainly, the Lord will help you, but he won't magically take away your pain. There are no shortcuts. ●
